

We're looking for new Trustees

The Wildlife Trust of South and West Wales manages some of the region's most precious wild places.

This year the Board has **three vacancies**. We are looking for people who have a significant commitment to the aims of our Trust and our natural environment in South and West Wales.

We are committed to creating a **diverse and inclusive Board** that reflects the membership and communities in our area. If you are over 18 and would like to use your skills and experience at Board governance level to help us help wildlife, then we would love to hear from you. Previous Board or Trustee experience is not necessary and we welcome applications from all backgrounds.

We would particularly welcome applicants who have experience and/or skills in one or more of the following areas, but this is not essential to apply:

- Digital technology/transformation
- Nature Conservation
- Farming
- Welsh Language
- Human resources or people management

The commitment:

- attending Board meetings (online). The Board holds about 8 meetings a year.
- volunteering some spare time to help develop the Trust's work
- occasionally attending other meetings or events.

Trustees are unpaid volunteers. The term of appointment is for up to three years in the first instance. Although, there is the opportunity to be co-opted to the Board for an initial term of one year.

Please download the **Application form** and **Information about being a Trustee** from our website. The deadline for applications is **Monday 24th August 2026** to join the Board for the AGM this year.

Our Chair or Chief Executive would be delighted to talk informally to anyone interested in applying. Please contact Diana Clark, who would be happy to set up a meeting (in person or online) or a phone call to discuss the role.
